

Dear Friend,

Redeemer San Diego finds itself on the edge of the most exciting moment in our five-year history. Since our inception in 2013, Redeemer has seen God at work in dynamic ways. By God's grace, we've grown into a vibrant multiethnic and intergenerational community with an unswerving commitment to be a church not only for ourselves but for others. We give thanks to God for the ways in which Redeemer has been able to play a part in his plans for our city. Yet with nearly 1.3 million people in San Diego who don't know Jesus, we believe there's much more ahead. To that end, Redeemer is taking a bold step forward in advancing a gospel movement.

It is with joyful expectancy and excitement that we share with you the heartbeat of this next chapter, The Flourish Initiative. We know that God loves the people of San Diego and wants them to thrive. This is why the vision behind The Flourish Initiative is about an entire city renewed by the gospel. It's about Christians boldly stepping into their spheres of influence in order to serve the common good. It's about followers of Christ deciding to pursue something other than personal satisfaction. The Flourish Initiative hinges on the belief that if the gospel is embraced and embodied by a critical mass of people, it will lead to vitality, vibrancy, and transformation – not simply for Redeemer – but for all of San Diego.

In this booklet you will find more information laying out our specific vision for this Initiative and how you can participate with us.

Thank you so much for your prayerful consideration and partnership in the gospel. Together, let's ask and expect great things of God for Redeemer and San Diego.

With deep appreciation,

Paul Kim Lead Pastor

PART CHURCH PLANTING

TRINITY SAN DIEGO

FLOURISH INITIATIVE: PART ONE

We're convinced that the best strategy for impacting San Diego with the gospel is through a movement of like-minded churches. In fact, new churches often have the greatest potential to engage with a secular audience while also sparking renewal within already existing congregations. We're pleased to announce that we'll be launching Trinity San Diego as our first church plant in the spring of 2019!

OUR NEXT STEPS

WHAT: A church for Christians & non-Christians alike

WHERE: Rancho Bernardo / 4S Ranch

WHEN: Easter 2019

New church planting is the only way that we can be sure we are going to increase the number of believers in a city and one of the best ways to renew the whole Body of Christ.

Timothy Keller

Jonathan and Danielle Kerhoulas, along with their three children Mason, Penny, and Aaron will be sent by Redeemer to lead in launching Trinity San Diego. Jonathan has served with Redeemer San Diego as a pastor for the past four years.

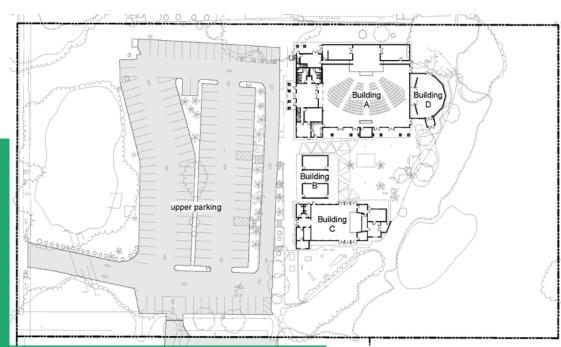

PART CAMPUS IMPROVEMENTS

THE BIG PICTURE FLOURISH INITIATIVE: PART TWO

We recognize that having a church campus in southern California is an opportunity for long-term ministry mobilization. We hope to use our own physical space to embody and express a genuine love for our neighbors in ways that reflect God's profound love for us. In order to support our vision of being a place where everyone is invited to experience the power of the gospel, significant campus improvements are necessary to cultivate a safe and welcoming experience for you, your friends, and our neighbors.

The giving goal for Flourish is \$2 million.

PARTNER

The Flourish Initiative has a goal of raising \$2 million for church planting and campus improvements. Would you prayerfully consider participating as a generosity leader? We believe this is a pivotal moment for you to join in what God wants to accomplish in San Diego. We're asking you to pray boldly and to give generously in response to the Spirit's leading. This initiative will only be accomplished as, together, we each seek the Lord and ask him to impart in us a vision for flourishing.

PLEDGE

We're asking everyone at Redeemer, as well as outside friends of Redeemer, to consider making a financial pledge by November 4, 2018. The pledge can then be fulfilled as a one-time gift or in installments over the next twelve months.
