

Redeemer Students Summer Bible Plan

The Dome High School Ministry is focusing on the power and practice of being in God's Word this summer. This gives you an opportunity to establish a quiet time rhythm this summer while exposing you to reading eight New Testament Books (seven letters and one Gospel). In addition, you will be encouraged to memorize a few verses from what you are reading that week. I would HIGHLY encourage and challenge all of our students to make it a practice to get into the Word in groups and with other students this summer. Call someone, Zoom them, FaceTime them (or meet with them - if your parents allow) and get in the Word together. I am pumped to see how God uses our time in the Word to grow our heart's affection for Him!

Starting New Book:	Daily Rhythm:	Memory Help:
<p>On the days you start a new book, you should familiarize yourself with the themes and flow. Watching a quick 10ish minute video from The Bible Project could be helpful.</p> <p>Setting Rhythms:</p> <ol style="list-style-type: none"> 1. Have a specific time & location and stick to it each day when you are reading, praying and memorizing 2. Habit formation takes time/practice. Stick to it, but also give yourself grace 3. Get an accountability partner 	<p>Each day MAP your time with the Lord.</p> <ol style="list-style-type: none"> 1. Read and Meditate on your passage. Take your time to make good observations (Answer: What does this say about God, Self/ Others, etc.) 2. Take time to Apply the Word to your life (Answer: How do I obey?) 3. Pray through the passage 4. Practice the memory verse 	<ol style="list-style-type: none"> 1. Set a pattern for practicing memory verses each day of the week (ex. everyday at noon) 2. Make it visible all the time. Write it on a 3x5 notecard, or make it the background of your phone or write on your mirror 3. Make your memory memorable. Seems obvious, but sometimes adding motions/word pictures to memory makes it "sticky."
