

# • BIBLE READING PLAN 2020 •

The Dome High School Ministry is focusing on the power and practice of being in God's Word. This gives you an opportunity to establish a quiet time rhythm, while exposing you to reading eight New Testament Books (seven letters and one Gospel). In addition, you will be encouraged to memorize a few verses from what you are reading that week. I would HIGHLY encourage and challenge all of our students to make it a practice to get into the Word in groups and with other students. Call someone, Zoom them, FaceTime them (or meet with them - if your parents allow) and get in the Word together. I am pumped to see how God uses our time in the Word to grow our heart's affection for Him!

## Starting a New Book:

On the days you start a new book, you should familiarize yourself with the themes and flow. Watching a quick 10ish minute video from The Bible Project could be helpful.

## Setting Rhythms:

- Have a specific time & location and stick to it each day when you are reading, praying and memorizing
- Habit formation takes time/practice. Stick to it, but also give yourself grace
- Get an accountability partner

**How to Read the Bible:** OIA is a bible study tool, which stands for **Observation, Interpretation** and **Application**. As you read through the scriptures, ask yourself these three questions: What, Why, and So What??

**Observation:** "What does this passage say?" **Interpretation:** "What does this mean?" **Application:** "How can I apply this to my life?"

Grab yourself paper and a pen then journal your thoughts and answers to these questions. Don't forget to pray before and after!
