

Jesus Healed 10 Men

Activity Ideas

BIBLE PASSAGE: Luke 17

STORY POINT: Jesus healed 10 men, and one was saved

MEMORY VERSE: Isaiah 53:4-5

BIG PICTURE QUESTION: Why did God create people? God created people to worship Him, love Him, and show Him glory.

Everybody Move

Gather preschoolers. Call out actions taken by people in today's Bible story for preschoolers to play out. Suggested actions include children moving away from one another, coming back together, falling down, hopping back up, or waving arms in praise to God.

SAY • Everyone, let's say, "thank You, Jesus!" Jesus healed ten men with a skin disease, but only one of them came back to thank Him. Jesus asked where the other men were. Jesus said the man who returned was saved because he had faith. When we trust in Jesus, He heals us from something greater than a disease; He saves us from our sins. We can thank God and worship Him for making us new.

Stuck on Jesus

Stuck on Jesus Provide each kid with a 2-by-4-inch piece of felt. Instruct the kids to draw a bandage shape and cut it out. Help the kids attach an adhesive magnet to the back of their bandages. Then, ask the kids to write Jesus heals on their bandages.

SAY • Jesus healed ten men, and one was saved. When a person believes that Jesus died on the cross for her sin and rose from the dead, she is saved. When we are saved, God gives us the Holy Spirit to help us love and obey God. Over time, Jesus heals the damage sin causes in our lives. Although physical healing is a blessing, being saved from sin and healed of the damage it causes is the best thing we can receive from Jesus.
