# 21 DAY BIBLE READING PLAN

## HOW THIS READING PLAN WORKS

### 1. IT REHEARSES THE GOSPEL RULE OF LIFE

Each reading is paired with one element of the G.O.S.P.E.L. Rule of Life—the discipleship framework we use at Redeemer for spiritual formation. As you read Scripture, you are not simply gaining information. You are being invited to practice a gospel-shaped way of life:

- **Give** — Living generously because Christ has given Himself for us
- **Open** — Opening our lives in hospitality and discipleship
- **Sabbath** — Resting in Christ rather than striving
- **Pray** — Abiding in Jesus with trust and dependence
- **Engage** — Joining God's mission in everyday life
- **Listen** — Being shaped by God's Word through Scripture

### 2. IT REINFORCES THE 3Rs OF HEART RENEWAL

Each day also trains you in the 3Rs of Gospel Renewal, a simple tool we use at Redeemer to experience the renewing power of the gospel day by day. As you read and reflect, you will be guided to:

- **REVEAL** what is truly shaping your heart—fears, desires, idols, or misplaced trust
- **REPENT** by turning from lies and returning to the truth of who Jesus is and what He has done
- **REJOICE** in the freedom, assurance, and new life that come from Christ's finished work

## HOW TO ENGAGE EACH DAY

Each day of this reading plan follows the same four steps. The goal is not speed or mastery, but attentive presence with God. Plan for 15-20 minutes. If you miss a day, do not try to “catch up”— simply pick up where the rhythm left off.

1. **PRAY** — Ask God to meet you!
2. **OBSERVE** — What does the text say?
3. **INTERPRET** — Why does the author say this?
4. **APPLY** — How should this change me?
