What to Expect:

- Expect to grow in perspective in both God's heart and the Christian's call to Missions and Discipleship. This trip will serve as both an opportunity to grow in missions through outreach and service as well as discipleship as much of our evenings will be cultivating a heart for our personal relationship with the Lord.
- Expect to take ownership of the trip as your own response to God's call to missions and be prepared to both plan and execute a kids program (VBS) to aid Servant Church's impact in the Barrio Logan/Logan Heights community.

Logistics:

- We will be staying at an airbnb around the Golden Hill / Emerald Hill area (TBD).
- Currently there will be 4 (potentially 5) adults volunteers and staff leading the trip. Our goal is to have 8-14 students join our team.
- While Barrio Logan and Logan Heights is where Servant Church is located, aside from a drive through tour led by Pastor Chris of Servant Church, we will not be in Chicano Park or the more "dangerous" parts of the area. Our VBS will be held at Memorial Community Park in Logan Heights, adjacent to the Boys and Girls Club down there.
- All room and board, food, VBS supplies, activities will be covered by the **\$350**.
